

The Oxford Range

Middlewall

The New Oxford range of flush trimmed albums enables you to create an entirely personalised album unique to your every customer.

Available with self adhesive pages with a repositioning time for setting or plain pages for use with the Bellwood sticky machine or alternative self adhesive material, which ever option you choose will give you maximum flexibility to create a bespoke album.

When trimming your page remember to use a cutting mat or board with an artists knife. Available in 8x6, 8x8, 10x10, A4 and 14x11.

For colour and material options please choose from any sample from your swatch sheet.

Albums are available Plain or with Embossed Releif Frame

Available in the following capacities 10pg, 12pg, 15pg, 18pg, 20pg, 22,pg and 25pg.

As each and every album is made to your specific requirement please contact us for any variation you may require.
