

A4 (12 x 8.5) Digital album Template

The above image represents a full spread for an A4 Album including bleed area used for trimming. Should you send us your own work we will need the template/spread size to be 12 1/2" x 17 1/2"

The line through the middle marks the centre of the page.

The shaded area represents your actual image area.

The thick black line marks the outer edge of your image area.

The dotted line marks the outer edge of the trimming area.

Any part of your image within the thick black and the dotted line is liable to be lost during trimming. Please ensure that no important parts of your image are here.
